Thursday, September 24

6p | Legacy Park in Ada

becafe.org

At Be Cafe, our friends with intellectual and development disabilities do more than make great coffee. They learn they're capable beyond what we expect of them. The skills and job experience our Beristas build beside our coaches open the door to lasting careers in our community. With each brewed cup, you're helping these hard workers become who they're meant to be. Now that's coffee with a purpose.
